Step back in time and embrace the charm of this post-war beauty, a golden oldie that has stood the test of time. This delightful property, featuring three cozy bedrooms, one bathroom and an air conditioned loungeroom, a rare find in its original state. It offers a unique opportunity for those looking to relive the nostalgia of the past or embark on a renovation journey to blend classic charm with modern comforts.

The home sits on a low maintenance 769m2 block and is fully fenced. In times gone by, a portion of the yard catered to prized chickens with some coups currently remaining, yet plenty of room left over for kids to run around.

Conveniently located close to schools, parks, and essential amenities, it offers the perfect balance of peaceful living and accessibility.
